Abstract:

The Natural Material Universe shall be considered as evolved from Dark Matter, Dark Energy under the influence of Electromagnetic Radiation (EMR). The EMR shall be considered as the law of matters comprising of three-in-one most fundamental Neutrino Particles Photon, Electron, Proton which makes 3G Evolution and three generation matters.

“Evolution shall alternatively means adding up mass to the fundamental neutrino particles and thereby genetic value of matters are altered” –Author

Key words: Dark Tree, Dark Stem, Dark Tablet, Expanding Universe

1. Introduction

Billions of Billion Organic, Inorganic matters existing in the material universe shall be considered as evolved from Billions of Billion rays of electromagnetic radiation. The total rays and fundamental matters shall be considered as always constant in the Universe. 3G evolution shall mean evolution of various species within individual fundamental matter in three geological period and the total evolved species shall classified as three generation matters having distinguished varied genetic characteristics. All matters currently existing in so called modern time shall be considered as 3rd generation species matter and the evolution is consistently going on till end of universe.

2. Hypothesis

2.1. Philosophy of Dark Tree?...

The whole material universe comprising Billions of Billion matters shall be considered as a “Single Dark Tree” evolved spontaneously due to impact of Electro-magnetic Radiation and existing under the Electro-magnetic Equilibrium. The Dark Stem of Dark Tree shall be considered as having Billions of Billion distinguished fibers bunched together on origin and each fiber shall be considered as representing each fundamental matter of material universe. Millions of Branches, Sub Branches, Leave Nerve shall be considered as 3 generations species evolved from the “Dark Stem”. The Dark Stem shall be considered as “Dark Tablet” consists of three-in-one fundamental Neutrinos considering feeding nutrients to the tree. The Dark Tablet shall be considered having genetic value consists of Millions of Scientific Logics. The hypothetical Dark Tree, Dark Tablet, model 3G matter shall be narrated as below.

2.2. *New Definition for EMR?...*

The electromagnetic radiation shall be considered as having THREE-IN-ONE fundamental neutrino particles PHOTON, ELECTRON, PROTON. These fundamental particles shall be considered as having natural genetic value for creation of matters in the Universe. Absolute electromagnetic radiation shall be considered as particles having zero mass and capable of traveling at the speed of 3.0×10^8 m/sec.

3. **Philosophy of 3 Generation Matters?...**

The philosophy of 3 generation matters shall be considered evolved in three different geological periods due to subsequent increase in the Mass to the fundamental Neutrinos which results in evolution of various species to the fundamental matters.

The sample narration of some of matters in three generations is tabulated as below. The three generations evolution shall be considered having definite colour impact on matters, i.e. The Absolute White EMR rays shall be considered produced Billions of Billion Colour Variation under three distinguished fundamental colour DARK BLUE, DARK GREEN, DARK RED.

- Absolute White -Origin of EMR
- Dark Blue -1st Generation
- Dark Green -2nd Generation
- Dark Red -3rd Generation

4. **Philosophy of Expanding Universe?...**

The expanding Uni- verse shall be considered as the variant in relative position of SUN, EARTH, MOON in three generation of geological period which results in considerable changes in genetic value of matters in the Universe.

7. Conclusion

The Prehistoric human shall be considered as existing with different genetic characteristics and capable of FLYING. The so called Angel Population shall be considered as 1st Generation, DRAVIDIAN shall be considered as the 2nd Generation and ARYAN shall be considered as the 3rd generation population. In the material universe all the fundamental matters and its species evolved shall be considered as having definite identity just like SIM CARD of mobile phone.
